## Last Month in Southport

Soaking up the last golden days of summer, August, let's make it unforgettable! Here are some highlights from the month of July in Southport.

- **Southport takes on the green for Stride Charity Golf Tournament in support of Stars Air Ambulance:** On July 10<sup>th</sup>, Southport was out in full swing at the Stride Credit Union Charity Golf Tournament, rallying behind the life-saving mission of STARS Air Ambulance! Golfers were not only just putting their skills to the test on the greens, but they also participated in Southport's thrilling Plane Toss, aiming for a shot at winning an exclusive prize of Southport swag bag. It was a day of community spirit, fun, and giving back to a cause that truly makes a difference when every second counts. Southport is excited to support initiatives that bring people together and create impact close to home.
- **Southport supports Highway Community Kitchen with donation:** Southport is proud to support the incredible work of Highway Community Kitchen with a \$2,000 donation to help them continue serving those most in need in Portage la Prairie. Southport is deeply committed to investing in local programs that uplift and care for our community, and we are grateful to Highway Community Kitchen for their compassion and service.
- **Southport celebrates connection and integrity at Golden West Golf Tournament:** On July 16<sup>th</sup>, Southport was thrilled to take part in the Golden West Customer Appreciation Golf Tournament at Bridges Golf Course in Starbuck, a day filled with great conversations, community vibes, and fun on the fairway! We're proud to share that the Southport team was awarded "The Most Honest Team" a lighthearted recognition that speaks to the integrity and sportsmanship we bring to everything we do.
- **Southport hits the green for a great cause as a hole a sponsor:** Southport was excited to be out at the Portage Golf Club on July 18<sup>th</sup> for Arron's Chance 2 Play Charity Golf Tournament. We joined fellow community members to support a cause of helping kids from the Central Region get on the ice and enjoy the game they love. As part of the fun, golfers took part in Southport's Plane Toss for a chance to win a Southport swag prize pack! We're proud to support Chance 2 Play and all the work they do to make sports more accessible for children.
- **Southport supports Holiday Avenue Project Garden Tour:** Southport proudly supported the 3rd Annual Holiday Avenue Project Garden Tour in Portage la Prairie, showcasing nine beautiful local gardens and celebrating community creativity. This event highlights sustainable landscaping and eco-friendly practices that help protect biodiversity and promote healthier ecosystems. By supporting this initiative, Southport is committed to fostering not only community spirit but also environmental stewardship for a greener future.
- **Communities in Bloom Judges Tour Southport & Portage la Prairie:** As part of the 2025 Communities in Bloom provincial competition, judges visited both Southport and the City of Portage la Prairie on July 28<sup>th</sup>, marking a historic first joint entry between our two communities. This partnership reflects a shared dedication to beautification, environmental stewardship, and community pride. Communities in Bloom evaluate more than just floral displays, it highlights environmental practices and overall community impact. Southport is proud to contribute to this collaborative effort to create stronger, greener, and more connected spaces.
