September 2024

Last Month in Southport

Happy fall! Here are some highlights from September in Southport:

- Southport said farewell to its summer students and seasonal workers at the beginning of September. Southport wishes to thank Brooklyn Buhler, Facilities Maintenance; Shae-Lynn Buhler, Clubhouse Attendant; Ranae Cabak, Marketing Assistant; Logan Calder, Facilities Maintenance; Kade Friesen, Golf Course Maintenance Worker; Magnus Linde, Golf Course Maintenance Worker; and Erin Morisseau, Clubhouse Attendant.
- September marked the end of Cindy McDonald's term as Marketing Specialist at Southport and the return from maternity leave of Lauren Badiou to the position. Southport thanks Cindy for all her hard work during her time at Southport and wishes her the best of luck with her future endeavours!
- On Saturday, September 7th, Southport staff had the opportunity to take part in and enjoy KF Aerospace's Family Day. The annual appreciation event provided the staff and their families of KF Aerospace, 3CFETS, and Southport Aerospace Centre Inc. with the opportunity to fly in one of four aircrafts. Southport supported the event by cooling the crowd off with frozen yogurt and popsicles. Kids that stopped by the Southport tent also got an airplane craft to take home!
- The gloomy weather couldn't dampen the spirits at the Portage Terriers' 5th Annual Geno Romanow Par Three Challenge on September 13th. Southport sponsored and attended the event at the Portage Golf Club. Southport is an active supporter of the Portage Terriers in our community and is proud to provide the Central Plains RecPlex as the official home dryland training facility for the hockey team.
- Southport's Manager, Business Development, Dean Rennie, hosted the Manitoba Chamber of Commerce Economic Development Tour through Southport on September 25th. The tour showcased Southport's assets, opportunities, and growth potential, with stops at Hangar 5, Barker Hotel and Suites, and concluded with a takeaway supper from the Southport Golf Club. During the tour, the bus made a nostalgic detour for one participant to take a photo in front of their childhood home.
- Southport welcomed a newly restored aircraft to the community on September 25th! It took a dedicated team to get the Beechcraft Model 18 Expeditor mounted along Centenaire Drive, but the effort was well worth it!
