

# The Southport Snapshot

September 2023

## Last Month in Southport

Happy Fall! The leaves are changing and so are things around Southport. Some of the highlights from September were:

- Southport sponsored and attended the fourth annual Geno Romanow Memorial Par 3 Challenge at the Portage Golf Club on September 15<sup>th</sup>. Southport is an active supporter of the Portage Terriers in our community and is proud to provide the Central Plains RecPlex as the official home dryland training facility for the hockey team.
- A Southport team attended the Portage Chamber Women in Business Wine & Nine Golf Tournament on September 21<sup>st</sup>. It was a great day of networking with other Women in Business and supporting the Chamber.
- Taking off with excitement, Southport added a new EV to its fleet ahead of the 2024 Manitoba Airshow. The BOLT will be cruising around Southport promoting the 2024 Manitoba Airshow.
- Due to construction of the new Southport Admin building, Four Winds Cultural Centre will be closed until further notice.
- Southport's gate guard, the CT-114 Tutor that proudly greeted visitors to the community, has been removed and stored safely ahead of the construction of the new administrative building.
- Southport representatives attended the SWIFT Airfield Conference and Tradeshow in Winnipeg. The three-day event featured speakers from across Canada discussing industry enhancements, challenges and new technologies. This conference is a great opportunity to network, learn and engage with colleagues regarding airport and airfield services.

Southport participated in the event by handing out refreshing ice cream sandwiches and water for all participants!

### National Day of Truth & Reconciliation

September 30<sup>th</sup> marks the National Day of Truth and Reconciliation and Orange Shirt Day to commemorate the children sent to residential schools.
