

2026 Southport Employee Scholarship

Southport Aerospace Centre Inc. (Southport) is dedicated to ethical stewardship practices and takes great pride in supporting various community events, organizations, and initiatives through a well-balanced Corporate Stewardship Program. During Southport's 2025/2026 fiscal year, over **\$159,000** was contributed back into the community through sponsorships, donations, scholarships, and staff volunteerism.

A key community investment priority of Southport's Corporate Stewardship Program is education and professional development. In line with this investment priority, Southport is excited to award a **Southport Employee Scholarship** in support of Southport employees and their immediate family members as they pursue higher education.

Eligibility Criteria

To be eligible for the 2026 Southport Employee Scholarship, applicants:

- Must be a current employee, or immediate family member of an employee, of Southport Aerospace Centre Inc., having worked at Southport for a cumulative minimum of 6 months.
- Must be admitted to, and enrolled in, a post-secondary educational program commencing within the current fiscal year (April 2026-March 2027).
- Must not have received a Southport Employee Scholarship in previous years.

Application Process

Applicants are asked to submit their Application Letter via email to marketing@southport.ca, detailing the following:

1. The post-secondary educational program that they are enrolled in;
2. What their plans are upon completion of their educational program;
3. How they resonate with or exemplify Southport's commitment to the community;
4. And, why do they believe themselves to be the best candidate for the scholarship.

The Scholarship Review Committee is looking for application letters that are well-written, purposeful, and compelling.

Applications are due by 2:00 PM on August 21, 2026.

**To collect the scholarship, the successful applicant will need to submit proof of payment made towards tuition.*
