

The Southport Snapshot

December 2025

Last Month in Southport

As the new year begins, Southport celebrates 2025 as a year of meaningful progress and community impact while embracing January with renewed energy, fresh goals, and exciting opportunities to grow, connect, and make even a greater impact.

- **Spreading Holiday Cheer Across Southport:** In the month of December, Southport's Management Team visited the community to deliver holiday gifts to all Southport commercial tenants as a gesture of appreciation and partnership. This seasonal outreach celebrated the strong relationships that help make Southport community thrive and reinforced Southport's commitment to collaboration.
- **Raising a Glass in Honour of Peggy May's Legacy:** On December 3rd, Southport staff gathered to honour the memory of Peggy May, Southport's longtime CEO, marking one year since her passing. Peggy led Southport for 13 years with vision, compassion, and dedication, leaving a lasting impact on the organization and the wider community. In her honour, staff raised a toast to her legacy and presented a \$500 donation to Central Plains Cancer Services. Peggy May is deeply missed, and her leadership continues to inspire Southport every day.
- **Southport Shines in the Rotary Santa Parade of Lights:** On December 5th, Southport staff and their families proudly participated in the annual Rotary Santa Parade of Lights in Portage la Prairie, delighting spectators with a beautifully crafted float. The festive event brought the community together to celebrate the holiday season, and Southport was honoured to take part alongside families, volunteers, and local organizations in spreading cheer and holiday spirit throughout the city.
- **Light Up Southport:** On December 11th, members of the Southport team toured the community to admire festive holiday displays and presented gift cards to 23 homes beautifully lit for the season. In addition to gift cards from local businesses, the top three households selected local charities to receive monetary donations from Southport. The chosen charities were the Portage Animal Welfare Society Inc. (PAWS) and Prairie Harbour Inc. A special thank you to everyone who participated and helped brighten Southport throughout the holiday season.

- **Southport Staff Volunteer at the Highway Community Kitchen:** On December 15th Southport staff volunteered at the Highway Community Kitchen, helping serve meals to people who drop in for the free meals offered by the kitchen. Working alongside regular volunteers, the team was proud to contribute to the Kitchen's important role in providing warm meals in a welcoming space within the local community. Volunteering at the Highway community Kitchen reflects Southport's commitment to giving back, supporting the vulnerable, and working together as a team beyond the workplace.
