Southport Cheers on the Portage Terriers

On Friday, February 4, Southport cheered on the Portage Terriers against the Selkirk Steelers. It was a great night of hockey with the Southport team!

Southport representatives manned a booth throughout the event, promoting Centenaire South, Southport's 42-lot residential property development, and the Central Plains RecPlex.

There was also a draw for a Central Plains RecPlex prize package valued at \$150.00 going to one lucky winner who stopped by the booth.

During the first intermission, three contestants joined Southport staff on the ice for a Centenaire South themed on-ice relay.

Southport would like to thank the three contestants who participated and congratulate the winner who won a prize package to Southport Bowl which included lane rental, pizza, and refreshments.

Southport and Central Plains RecPlex are proud to be an Official Partner and the dry land training facility of the Portage Terriers. Go Terriers!

Southport's Greenhouse Gas (GHG) inventory is finalized for 2020-21. With the cooperation of Southport's commercial tenants KF Aerospace, Airport Technologies Inc., Red River Community College, and Accelerated Christian Education, Southport has created a new baseline that depicts the total carbon footprint for the Southport commercial site and airfield. This new baseline consists of 27 buildings totaling 50,304.6 square meters; more than doubling the square meters analyzed from previous years. The total GHG emissions from this analysis equals 1,548.95 tonnes of CO₂ equivalent and provides a new starting point from which to initiate green initiatives for future emission reductions.

CFPD Advertisement Sponsorship

The Community Foundation of Portage and District (CFPD) ran an advertisement in the Graphic Leader highlighting the Portage Community Revitalization Corporation (PCRC). In the fall of 2020, CFPD granted PCRC funds to repair their roof and update their air-conditioning system. These improvements were not only necessary for safety but provided a comfortable and energy-efficient environment. Southport proudly sponsors these monthly advertisements as the CFPD is one of Southport's key community partners.

Heart & Stroke Foundation of Manitoba

In coordination with “Heart Month”, Southport was pleased to present a monetary donation to the Heart & Stroke Foundation of Manitoba on behalf of Southern Health-Santé Sud. Southern Health is a long-term tenant at Southport who operates its head office out of the Southport Building.

Southport Sponsors Portage Terriers

Southport is proud to sponsor the local Portage la Prairie MJHL hockey team, the Portage Terriers. Southport's fitness facility, the Central Plains RecPlex, is the official dry land training facility of the Portage Terriers and offers the team use of the full-size gymnasium and fitness area, including the indoor track, rock climbing wall, and weight and cardio equipment.
