

Spring has Sprung at Southport

April was a busy month in Southport with several new projects beginning to take shape. The grass is becoming green once again, trees are budding, and soon you will see some of the Southport staff hard at work planting new trees and flowers throughout the community. Several new signs also sprung up in Southport throughout the month of April. On your next visit to

Southport, you will notice there is a new sign installed by the entrance to the community along Highway 240. This sign showcases our duplex units in Centennaire South which are part of a 42-lot development. If you follow the directions on this sign and take the

'next right,' on Portage Street, you will approach the Centennaire South community gates, with newly installed hanging signs. Once in the development area, you will see another new, large sign that highlights the units which are complete with upscale finishings and the best of new home construction. This sign also shows a map of what the Centennaire South community will likely resemble when all units are completed. While in this area, you will also see that construction has begun on the newest units in the development. These two new units will be completed by fall 2019.

As you continue to tour around the community, along Musketeer Road, you will see construction has begun on our new Hangar. This hangar will be completed by fall 2019. Aside from these projects, Southport staff will continue working hard to keep Southport the beautiful, thriving community it is known to be.

Construction for Southport's Hangar 5 Begins

Construction, in the form of road work, has begun in front of the Red River College - Stevenson Campus, for Southport's newest hangar. When complete in fall 2019, this hangar will be 13,600sq feet. This hangar is being built using careful consideration for the environment and carbon avoidance. The hangar will use in-floor radiant heat and will only create 0.4 tonnes or carbon annually, compared to the 62.4 tonnes it would have created annually with gas-fired heating. Visit our website and follow us on social media to stay up-to-date on the hangar's construction.

Southport Attends Women in Defence Awards with KF Aerospace

At the beginning of April, Southport Chief Executive Officer, Peggy May, and Southport Director, Business Development, Deanna Talbot, attended the Women in Defence Awards in Ottawa, along with two representatives from KF Aerospace, Peter Fedak and Vanessa Nero. These awards celebrated Canada's top women in defence. The awards ceremony saw a diversity of dignitaries and military professionals come together to recognize and celebrate the achievements of the year's 21 award recipients.

Southport's Manitoba Airshow Received Central Manitoba Tourism Award Nomination

On April 25, Southport Director, Business Development, Deanna Talbot, attended the 2019 Central Manitoba Tourism Awards Gala in Morden. The Central Manitoba region had 27 nominations across 9 award categories, showcasing the broad scope of what's happening in the heart of Manitoba. The Manitoba Airshow was nominated for 'Event of the Year - Budget Over \$5,000.' The winner in this category was the Carman Country Fair, and other nominees included the Manitou Honey Garlic & Maple Syrup Festival and Pilot Mound's Prairie Hill Motorcross.

Tenant Feature: Southport Golf Club

The Southport Golf Club is a 9-hole golf course featuring a driving range with 12 bays and almost 300 yards of length, a pro shop and fully licensed clubhouse. The golf course is in a unique location along Southport's airfield, featuring views of the prairie landscape. The Southport Golf Club also offers golf lessons, golf club fitting, and club repairs and re-gripping.

Fore! Southport Golf Club is Open for the Season

Get ready to hit the fairway, because the Southport Golf Club is open for the season. The golf course is fun and challenging for every level of golfer, and is great for a casual round of golf, a company or family tournament, or a relaxing practice session. Although there are 9 greens, their extra tee boxes provide the complete experience of an 18 hole round of golf. Finish off your golf game by grabbing a bite to eat in their fully licensed clubhouse. For more information visit the Southport Golf Club website at: www.southportgolfclub.com See you on the links!

Southport Attends Manitoba Chambers of Commerce Leaders Breakfast Series

On April 22, several Southport staff attended the Manitoba Chambers of Commerce Leaders Series Breakfast, featuring Manitoba's Premier, The Honourable Brian Pallister. Southport staff heard from the Premier and took away several key highlights.

Southport Welcomes New Staff

Southport would like to extend a warm welcome to our newest employees. Shelby Tarr, Marketing Assistant and Jack Large, Facilities Groundskeeper, have been hired on for term summer positions in Southport. Sarah Thompson, is a new addition to the Central Plains RecPlex team as a Customer Service Representative, Recreation. Welcome to the Southport team!

Shelby Tarr

Shelby has recently completed her Bachelor of Commerce degree from the Asper School of Business at the University of Manitoba, and also has a Business Administration diploma from Red River College.

Jack Large

Jack is currently studying at Brandon University and has spent several summers working at Mayfair Farms.

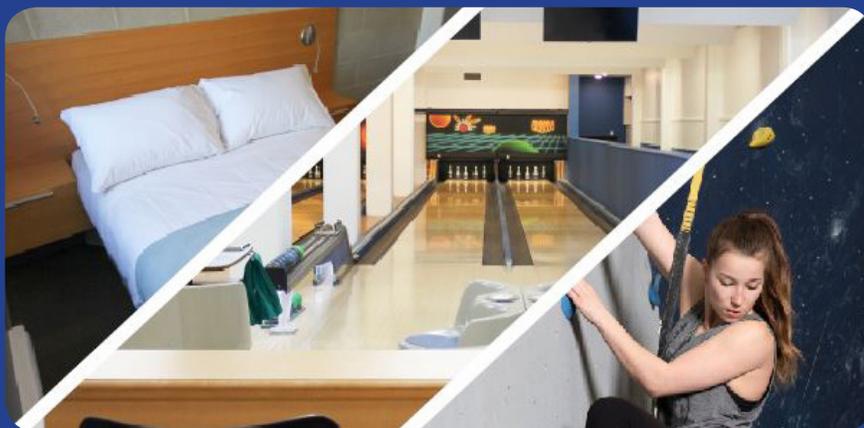

Sarah Thompson

Sarah has a history of playing softball and was on the Team Manitoba softball team in 2015 and 2017.

Southport Attends Manitoba Aviation Council Conference

On April 9, 10 and 11, Southport's Director, Business Development, Deanna Talbot, and Coordinator, Communications, Janelle Hulme, attended the Manitoba Aviation Conference and Career Fair, hosted by the Manitoba Aviation Council (MAC). The three-day annual event commences with a career fair for those looking for employment and to learn more about career opportunities in the aviation industry. The final two days of the conference focused on breakout sessions with presentations from key individuals in the industry. It was a fantastic three days filled with learning and networking opportunities.

May Spotlight: Deltoids

The upcoming muscle of the month for May is the deltoid muscles, also known as the shoulder muscle. This muscle forms the rounded contour of the human shoulder and attaches to your collarbone, allowing you to flex your shoulder joint and rotate the shoulder inward. Other parts of this muscle attach different parts of your shoulder blade and allow you to move your arm away from your body.

Order Your Next Pizza From Brews + Bites!

Call to Order:
204-428-6050

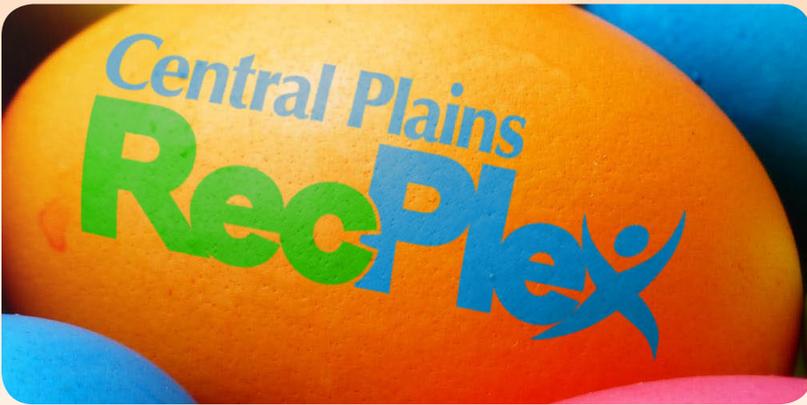

Open RecPlex Hours:
Monday - Saturday
6:30am - 10pm
Sunday
9:00am - 10pm

Member of the Month: Krystyna Randall

Krystyna has been a member at the RecPlex since December 2016. She first joined the RecPlex to become a fit mom, and lost 70 pounds between joining in December and the month of May. Now, this super-fit mom is training for a half marathon. Congratulations Krystyna!

If you have a nomination for a member of the month, please let us know by email, social media, or in person.

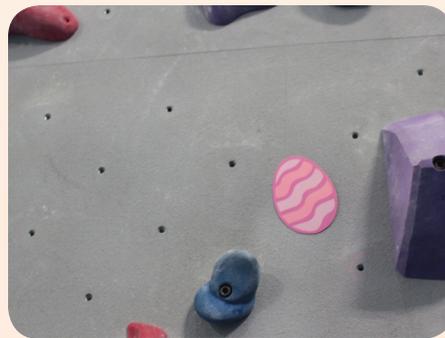

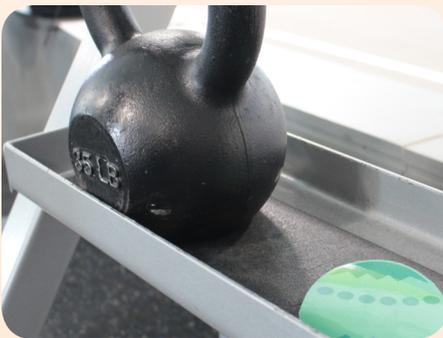

The RecPlex Easter Egg Hunt

To celebrate the Easter weekend, from April 15 - April 22 the RecPlex had an egg hunt. The laminated paper eggs were hidden throughout the building, with some of the eggs requiring exercising to get to them. The prizes given out matched the colour of each egg, but egg hunters did not know what their prize would be until they redeemed their find at the RecPlex front desk. Congratulations to Dean Lutz and Lauren Becker for winning our two grand prize gold eggs! Dean won wall climbing for up to 15 people for one hour and Lauren won one game of bowling for 6 people. Other prizes included water bottles, shaker cups and free pizza from the Brews + Bites food kiosk in the RecPlex.

Southport Bowl is open for the summer!

Southport Bowl will be taking public bookings and drop-ins during all operating hours throughout the summer.

Book a time or drop-in for your bowling game today!
