

## Southport - Residential Housing Application Process

In order to be considered for rental of a residential housing unit, an application form (electronic/paper) must be completed in full. An application will only be considered if all the required information is provided.

### Applications must have:

- Full name(s) and contact information
- Social Insurance Number and Date of Birth – for obtaining Credit Reports
- Employer and Income information
- Previous address & landlord information

Applicants may be requested to provide a signed release authorizing Southport to do a personal investigation to confirm employment, income and tenant history.

**Application Forms must be filled out completely, including all proposed occupants and any pets. Applications with false information or omissions will be rejected.**

### Screening Criteria:

**Applicants must demonstrate the ability to pay rent. This will be determined during the evaluation process to verify whether applicant(s) are able to meet the required criteria.**

### Applicants must have:

- A solid Credit history. Credit Scores: 650 and above = Very Good, 620 to 650 = Average/Good, below 620 = High Risk. Credit payments impact the ability to pay rent and applicants must be able to demonstrate that they will be able to pay their rent. A history of delinquency and collections will have a significant negative impact on the evaluation of an application.
- A stable tenant history. For applicants who have not previously been a tenant, consideration will be made based on Character references and/or personal circumstances.
- A satisfactory Character reference.

Note: If an applicant does not have sufficient financial resources, an application will be considered only where a guarantor or co-signer (with sufficient financial resources and credit history) is willing to sign an agreement to guarantee payment of the applicant's rent and utility obligations. **A guarantor or co-signer will be subject to the same personal investigation as the primary applicant(s).**

**NOTE: Applications for tenancy will be kept on file until desired move in date has past.**

### Tenancy Agreement

**Residential Tenancy Agreements are entered into on an indefinite term with 2 rental period notice required to terminate and are subject to an annual rent increase, according to RTB guidelines.**
